

Success Story

N° 1762

Premier Car Wash, Metuchen, NJ

“MacNeil equipment works magnificently, cleans magnificently and looks magnificent.”

— Marvin Ginsberg, Owner, Premier Car Wash

Great Performance

I have a very large, 165-foot tunnel and it's all MacNeil. MacNeil is sturdy – not like the others that start shaking after a few months.

Great Volume

My wash always has extremely high volume. I wash tons of cars every day and MacNeil is the best equipment I've ever had – there are many imitators, but no duplicators!

Great ROI

I am very particular. I never have a problem with MacNeil equipment and it saves me on manpower. The service is terrific!

Great Show

Thanks to MacNeil, I'm busy when other car washes are dead. It's the best show in town!

MacNeil. Great ideas. Great results.

Marvin Ginsberg is the owner and operator of New Jersey's biggest and highest volume car wash. Over 20 years of success and 600+ cars a day washed to perfection by MacNeil.

Get with a winner. Get MacNeil.
