

## **MACNEIL WASH SYSTEMS LAUNCHES ALL-IN-ONE WHEEL CLEANING SYSTEM**

**Barrie, Ontario, Canada – April 27, 2007** – MacNeil Wash Systems is pleased to announce the successful launch of the Wheel Boss, the only all-in-one wheel cleaning system in the industry. The product is a member of MacNeil's Magnum Series of equipment. It was introduced at Car Care World Expo 2007 and received rave reviews from show attendees, many stating that it will become a staple in their car wash.

The Wheel Boss incorporates many innovative design features from MacNeil's research and development team and uses the MacNeil electric drive technology. As a result, the Wheel Boss addresses multiple operator concerns and is a safe and effective wheel and tire cleaning product.

### **Wheel Boss Benefits:**

- Only all-in-one wheel cleaning system in the industry
- Safely improves cleaning results on raised white lettering and rims
- Improves tire and wheel quality, and customer satisfaction
- Increases wheel cleaning revenue, in less time
- Eliminate manual prep work to effectively clean wheels, saving labor and increasing production on busy days

### **Wheel Boss Features:**

- Innovative design combines a foam wheel brush and a 6-nozzle high-pressure wheel blaster to effectively clean all tire, wheel and wheel well surfaces
- *Cam Action* foam brush creates a pulsating action for best cleaning results
- Foam cleaning material provides a polishing effect that is safe on wheels
- *Follow Close* 6-nozzle wheel blaster cleans wheels *and* wheel wells
- Features MacNeil's quiet drive technology

### **About MacNeil Wash Systems Limited**

MacNeil Wash Systems was established in 1982 and is an ISO 9001:2000 certified manufacturer. The company designs and manufactures quality car wash systems for the tunnel car wash industry and for the automotive dealer, fleet and rental markets. MacNeil products are engineered to provide superior cleaning performance, reduced maintenance, increased production, maximum cost savings and equipment longevity. All MacNeil equipment is backed by our focus on service excellence. We distribute and support our products through an international network of more than 45 distributors that is second to none in capability and performance.
