

The Best in Automatic Car Wash Systems

For Immediate Release

MACNEIL WASH SYSTEMS OPENS PARTS DISTRIBUTION FACILITY

Barrie, Ontario, Canada – September 14, 2009 – MacNeil Wash Systems is pleased to announce the opening of a new parts distribution facility. The new facility, which is integrated with the MacNeil manufacturing plant in Barrie, Ontario Canada, is designed to better meet the parts needs of MacNeil's growing customer base.

“The new parts facility recognizes our need to do the best job we can to provide parts on an overnight basis to our 45 dealers and thousands of car wash customers” says MacNeil Vice President, Vince MacNeil. “Integrating the parts business with our plant allows us to combine resources, systems and logistics to do the job better.”

MacNeil's OEM Parts program includes several enhancements, such as:

- Significant increases in factory inventory
- Additional parts response personnel
- Extended hours to support all time zones

For more information on MacNeil's replacement parts and to find your local MacNeil distributor, customers can call the MacNeil Parts Department at (800) 361-7797.

MacNeil Wash Systems is one of the world's premier manufacturers of conveyor car wash systems, with dealer representation in over 20 countries worldwide. The company designs and manufactures high-performance car wash systems for the tunnel car wash industry and for the automotive dealer, fleet and rental markets. MacNeil car wash systems integrate best-in-industry performance and operation standards for high ROI, superior customer satisfaction, and minimal maintenance. MacNeil equipment is backed by our commitment to service excellence and a comprehensive field distribution and support network that is second to none in capability and performance.
