

The Best in Automatic Car Wash Systems

For Immediate Release

MACNEIL WASH SYSTEMS APPOINTS NEW VICE PRESIDENT OF MARKETING

Barrie, Ontario, Canada – September 11, 2009 – MacNeil Wash Systems Limited is pleased to announce the appointment of John D. Marshall to the position of Vice President, Marketing. Mr. Marshall has an extensive background in all aspects of dealer-based marketing, with a specialized focus in heavy equipment, automation, and consumer products.

“MacNeil Wash Systems is a vibrant, vital organization with exciting things ahead,” says Marshall. “Not only are we in the process of releasing several exciting new products, but MacNeil is also strategically aligning the people and processes that will guarantee MacNeil a leadership position in customer support as well.”

MacNeil Wash Systems is one of the world’s premier manufacturers of conveyor car wash systems, with dealer representation in over 20 countries worldwide. The company designs and manufactures high-performance car wash systems for the tunnel car wash industry and for the automotive dealer, fleet and rental markets. MacNeil car wash systems integrate best-in-industry performance and operation standards for high ROI, superior customer satisfaction, and minimal maintenance. MacNeil equipment is backed by our commitment to service excellence and a comprehensive field distribution and support network that is second to none in capability and performance.
