

*The Best in Automatic Car Wash Systems*

## **MACNEIL WASH SYSTEMS WELCOMES NEW DISTRIBUTOR**

**Barrie, Ontario, Canada – May 17, 2006** – MacNeil Wash Systems is pleased to announce that Car Wash Solutions of Orlando, Florida has joined their worldwide distribution network. Their years of industry experience and expertise in the tunnel market make this a valuable partnership for MacNeil and for MacNeil customers.

As a full service company, Car Wash Solutions offers a wide variety of services. With over 40 years of combined experience, Car Wash Solutions provides a diverse and extensive background in the car wash industry. From turn-key solutions to car wash retrofits, and new equipment installations to aftermarket service and chemical support, Car Wash Solutions is committed to their customers' long term success.

“We are genuinely excited to be associated with MacNeil Wash Systems, a company that is setting the performance standards for tunnel equipment” states Dave Percy, President of Car Wash Solutions, Inc. “It is very rewarding to work with a progressive, distributor-focused manufacturer and we look forward to mutually growing our business in the Florida market.”

### **About MacNeil Wash Systems Limited**

MacNeil Wash Systems was established in 1982 and is an ISO 9001:2000 certified manufacturer. The company designs and manufactures quality car wash systems for the tunnel car wash industry and for the automotive dealer, fleet and rental markets. MacNeil products are engineered to provide superior cleaning performance, reduced maintenance, increased production, maximum cost savings and equipment longevity. All MacNeil equipment is backed by our focus on service excellence. We distribute and support our products through an international network of more than 40 distributors that is second to none in capability and performance.
