

The Best in Automatic Car Wash Systems

For Immediate Release

MACNEIL WASH SYSTEMS APPOINTS NEW VICE PRESIDENT OF SALES AND MARKETING

Barrie, Ontario, Canada – Feb 18, 2011 – MacNeil Wash Systems is pleased to announce the appointment of Anthony Antonis to the position of Vice President, Sales and Marketing.

Anthony Antonis will be responsible for MacNeil’s overall marketing strategies, developing sales and fostering distributor development throughout North America and Internationally.

Mr. Antonis has an extensive background in dealer based sales as VP for US Sales at Hanna Car Wash Systems and National Sales Manager for The Jim Coleman Company. Anthony has owned and operated a volume full-service car wash and a full service distributor for Hanna Car Wash Systems.

“We are excited for 2011 at MacNeil” says Antonis. “We are in the process of introducing several new products this year and have new programs to better service our customers. It’s a simple but effective strategy for success; provide high quality reliable equipment with the best customer support in the industry.”

MacNeil Wash Systems is one of the world’s premier manufacturers of conveyor car wash systems, with dealer representation in over 20 countries worldwide. The company designs and manufactures high-performance car wash systems for the tunnel car wash industry and for the automotive dealer, fleet and rental markets. MacNeil car wash systems integrate best-in-industry performance and operation standards for high ROI, superior customer satisfaction, and minimal maintenance. MacNeil equipment is backed by our commitment to service excellence and a comprehensive field distribution and support network that is second to none in capability and performance.
