MACNEIL WASH SYSTEMS WELCOMES NEW DISTRIBUTOR

Barrie, Ontario, Canada – August 10, 2010 – MacNeil Wash Systems, the leader in high performance conveyorized tunnel equipment is pleased to appoint Woltco Inc.- Car Wash Professionals, as a distributor serving the state of Michigan. With their many years in the industry, their full range of services and support, Woltco will distribute and service MacNeil's full line of quality equipment to our Michigan customers.

John Racine, President of Woltco, said, "We are very excited with our new alliance with MacNeil Wash Systems. We will professionally sell and service this premier line of tunnel equipment throughout the State of Michigan." Woltco Inc. can be reached at (877) 992-7427.

In making the announcement, Mike Jacques, MacNeil's Vice President Sales - Eastern Region said, "John and his team at Woltco are a well grounded and experienced group. Selling and servicing equipment is one thing, but truly understanding your industry and committing to it is the key to being successful in today's market. With Woltco as our partner, we are looking forward to providing our superior brand of tunnel equipment along with comprehensive service and support to ensure that our customers are successful."

About MacNeil Wash Systems

MacNeil Wash Systems is one of the world's premier manufacturers of conveyor car wash systems, with representation in over 20 countries worldwide. The company designs and manufactures high-performance car wash systems for the tunnel car wash industry and for the automotive dealer, fleet and rental markets. MacNeil car wash systems integrate best-in-industry performance and operation standards for high ROI, superior customer satisfaction, and minimal maintenance. MacNeil equipment is backed by our commitment to service excellence and a comprehensive field distribution and support network that is second to none in capability and performance.
