

CLEANER CARS AND HIGHER PROFITS

MacNeil RS701 Superflex Wraparound

The SuperFlex has many industry-leading benefits, including:

- Gentle side pressures (5-10psi) for safe, yet effective cleaning regardless of the conveyor speed
- Over center reach of 6" provides critical front coverage
- Washes from rear tail light to rear tail light with each wrap-around, eliminating rear striping
- Double pass on the backs of vehicles further improves cleaning on this hard to clean area
- Secondary arm is easily programmed to relieve pressure on mirrors and antennas, and unfolds to follow the vehicle down the conveyor for more effective rear cleaning
- Total brush clutching stalls the brush if it becomes entangled with a trailer hitch or rear tire, reducing brush wear and tear and potential damage
- Operates effectively at the fastest of conveyor speeds

Get double cleaning. Get MacNeil.

SuperFlex WrapAround

> THE MACNEIL ADVANTAGE

- Excellent wash consistency
- Superior throughput
- Minimal prep work
- Controlled cleaning pressures

> FEATURES

- Proven effective at 150 cars/hr
- Short shaft design to eliminate bent shafts
- Pro-Coat finish
- Stainless steel manifolds
- Available with regular arm or long arm feature
- License plate protection
- Rear wiper protection
- Envirosoft foam
- High speed control panel

> TECHNICAL DATA

Hydraulics (Series)

- 4.5 GPM (17 LPM)
- 800-900 PSI (55-62 BAR)

Pneumatics

- 1/4" (6mm) Line
- 0.5 CFM
- 100 PSI

Water

- 3/4" (19mm) Line
- 40 PSI (3 BAR) Min. Pressure
- 4.5 GPM (17 LPM)/brush

Electrical

- 24V AC, 1.8A
- 110V AC, 0.5A
- CCS-Mini Controller included

> ABOUT MACNEIL WASH SYSTEMS LIMITED

Established in 1982, MacNeil Wash Systems designs and manufactures quality car wash systems for the tunnel car wash industry and for the automotive dealer, fleet and rental markets. MacNeil products are engineered to provide superior cleaning performance, reduced maintenance, increased production, maximum cost savings and equipment longevity. All MacNeil equipment is backed by our focus on service excellence. We distribute and support our products through an international network of more than 45 distributors that are all leaders in capability and performance.

Specifications subject to change. Information is provided for reference only and is not to be used for installation or construction purposes. Refer to MacNeil Wash Systems equipment drawings for installation specifications. Revised August 2008.
