

RS-400

LOW SIDE WASHER

CLEANS WHERE OTHER BRUSHES CAN'T

Our powerful low side washer packs more cleaning power into less space with excellent wash consistency and controlled cleaning pressure. It targets the lower areas of vehicles for a superior clean. The RS-400 features MacNeil's gentle and safe Envirosoft® foam, and is available in three brush heights to suit every configuration.

Durable and Functional

With a direct drive motor and stainless steel bearings and hardware, the RS-400 is built to last. The motor down design slides easily under other equipment to save tunnel space. Ideal for retrofits or new sites, quick and easy installation means minimal downtime.

WHY CHOOSE RS-400?

- Air controls for effective, consistent cleaning pressure and excellent wash consistency
- Safe, whisper-quiet, long-lasting Envirosoft® foam brushes
- Corrosion-resistant 3M Pro-Coat finish in a variety of colors
- Available in 22" (for use under Top Brush), 30" and 45" heights

RS-400 Low Side Washer
