

# VERSA ARCH

## ***FLEXIBLE STYLE***

*Produce clean, dry, shiny vehicles with the Versa Arch Series. Customize your Versa Arches to meet the demands of each application, from pre-soak and rinse to clear coat and drying agent. Add a touch of personality with your choice of color options and decals.*

### ***Customize for Every Application***

Our Versa Arches along with our versatile selection of manifolds offers you the precise, thorough and efficient chemical application that you need to keep costs down and get great cleaning, shining and drying results...every time!

## WHY CHOOSE VERSA ARCH?

- Nozzles designed for each application provide better coverage using less product
- Adjustable spray patterns aim nozzles where needed and reduce costly chemical overspray and overlap
- Saves critical tunnel space by eliminating the need for additional nozzles or multiple arches
- Maintenance is fast and easy with quick disconnect nozzles
- Corrosion resistant Pro-Coat finish available in standard silver-grey or black, or optional red, blue, yellow and black
- Choose from our standard corner decals, or leverage your exposure with custom branding
- Optional corner plates available for customization

### **Affordable, Unbeatable Car Wash Equipment**

For more than 30 years, MacNeil Wash Systems has provided superior car wash equipment to the tunnel car wash industry, automotive dealers, fleet and rental markets. Our turnkey systems, profit-boosting add-ons and cost-effective retrofits deliver a consistently superior clean with lower maintenance, higher throughput and greater revenue opportunity.
